NOTICE TO MARINA FACILITY USERS N.13/2023

* * *

RESERVED PARKING SPACES FOR TRANSPORTATION

Reserved Parking Spaces for Taxis services and Deliveries

Début : 11/11/2023

Fin : 16/06/2024

All facility users at MARINA FORT LOUIS are kindly informed of the following update: **During the HIGH SEASON from November 11, 2023, to June 16, 2024**, specific measures apply regarding parking spaces in the marina's parking lot.

During this period, **certain parking spaces are exclusively reserved for Taxis services and Delivery vehicles**, both vital for passenger arrivals/departures at the marina and vessel provisioning.

This measure applies to the first four parking spaces, starting from the cabin at the entrance of the "Passerelle" dock and extending to the parking lot's exit barrier. These parking spaces are clearly identified as follows:

- The first reserved space in front of the cabin is marked with a YELLOW ground marking.
- Safety barriers with appropriate signage will be installed to indicate and block access to authorized vehicles.

The aim of this measure is to ensure easy access to parking spaces for all marina users. In doing so, we aim to maintain a smooth flow of traffic in the parking lot and avoid congestion.

Please comply with these measures and contribute to the smooth operation of our marina. For any additional information, feel free to contact our team.

We appreciate your cooperation this season.

Port Management

Dissemination: mailing to vessels in Port, marina office notice board, website
